GEORGE WASHINGTON MD PROGRAM & MD/MPH & CERTIFICATE SUMMER 2023 SESSIONS

If you register for a minimum of 3 credits in summer (half-time enrollment), you are eligible to borrow a federal loan (no institutional grant or scholarship aid is available). Most of you borrowed your full Federal Unsubsidized loan during Fall 2022/Spring 2023; that leaves a Direct Grad PLUS* loan as your primary option.

Commercial education loans can be borrowed. However, they are based on your credit score, subject to Truth-in-Lending Act disbursement delays, and not eligible for any federal repayment programs, so they are not generally used.

The following instructions assume you are borrowing a Federal Direct Grad PLUS loan. If you still prefer a commercial loan, please contact MD Program Office of Financial Aid for application requirements.

You must be enrolled in a minimum of 3 credit hours to be eligible for a Grad PLUS Loan. If you are taking less than 3 credit hours you may apply for a private education loan through the lender of your choice.

How to Apply:
1) Complete the Addendum Form on second page of this handout.
2) If you have never borrowed a Grad PLUS for the GW SMHS MD Program, sign a Grad PLUS MPN (master promissory note) on StudentAid.gov AND If you didn’t apply for federal loans this year at all:
3) File the FAFSA for 2022-2023 as soon as possible. Our school code is E00197.
4) Once the Grad PLUS Loan is transmitted to the Department of Education for processing, a credit check will be performed to evaluate if you have any “adverse credit.”

MD/MPH and MD/PH Certificate Programs

The dual-degree MD/MPH program can be completed in just one additional year outside of the current medical program curriculum, with the option of choosing from 11 residential MPH programs [https://publichealth.gwu.edu/programs/dual-degree-md-mph] and a joint online program. Students are required to earn 45 credits for the MPH degree; 30 credits are taken at Milken Institute SPH, while 15 are cross-credited for MD coursework that encompasses public health topics. MPH coursework may be started during the summer following either the first or third year of the MD program. Students in the MD/MPH program will be granted a one-year leave of absence from the MD program to complete the required MPH coursework and fieldwork.

The MD/Certificate is an exciting opportunity for students to earn a graduate certificate in public health within their four years of the MD program. To earn the 15-credit graduate certificate, students will take 10 credits at Milken Institute SPH, in addition to five credits earned through cross-credited coursework from the SMHS MD program. Certificate coursework is started during the summer following the first year of the MD program.

FOR M3 and M4 MD/SPH Borrowers: Any student who has already been enrolled for 10 or more months during the 2022-2023 Academic Year is not eligible to receive federal loans to finance the summer session only. You will be eligible for federal loans for the fall and spring semesters. You are eligible to obtain a private loan such as a Medical School Consolidated Loan through GW University. Should the university’s ability to process federal loans for M3 and M4 MD/MPH students change prior to September 12, 2023, the Office of Financial Aid will contact you about switching your financing to Federal Direct Student Loans.

Beginning in summer 2023, School of Public Health tuition costs:

MD/MPH Program is $1650/credit hour.
MD/Public Health Certificate Program is $1,320/credit hour.
